Mission

We are inspired by the Gospel to provide free primary healthcare services to uninsured, low-income residents of Northeast Indiana and Northwest Ohio.

“For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I was sick and you looked after me, I was in prison and you came to visit me... I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.”

2015 ANNUAL REPORT

MATTHEW 25 HEALTH & DENTAL CLINIC

Serving our community for

DEAR COMMUNITY FRIENDS:

Mark Dixon, CEO

“The time I spent at the clinic this year has been so rewarding to me spiritually. The outpouring of appreciation from the thousands we serve to the support of those that volunteer and financially underwrite the efforts of Matthew 25 is truly heartwarming. 2016 represents the 40th year that Matthew 25 has served Allen County and now we have extended our service area to include the surrounding 14 counties in Northeast Indiana and Northwest Ohio.

Recently I have heard people refer to the clinic as the “Jewel of Fort Wayne”. I would have to say that when you understand what it does and why it does it, it is very hard to disagree with that moniker. All of us that work here stay firmly grounded in the fact that we are doing God’s work as outlined for us in the Scripture.

2015 was an interesting year given the full implementation of the ACA as well as the HIP insurance programs. I have answered numerous questions surrounding peoples concern about the viability of the clinic going forward. Christ outlined that response for me in the Gospel of Matthew, “The poor you will always have with you” and indeed that remains true for us at Matthew 25 today. So to the thousands of supporters in the past as well as the present, God’s richest blessings to you for all that you do for Matthew 25.”
